Name: Jun Zhu
Title: Professor, Department of Computer Science and Technology
Affiliation: Tsinghua University

Dr. Jun Zhu is a Professor at the Department of Computer Science and Technology in Tsinghua University. He was an Adjunct Faculty at the Machine Learning Department in Carnegie Mellon University from 2015 to 2018. Dr. Zhu received his B.E. and Ph.D. degrees in Computer Science from Tsinghua in 2005 and 2009, respectively. Before joining Tsinghua as an Associate Professor in 2011, he did post-doctoral research in CMU. His research interest lies in machine learning and applications in text and image analysis. He has published over 100 papers in the prestigious conferences and journals. He is an associate editor-in-chief for IEEE Trans. on PAMI and regularly served as area chair/senior PC for ICML, NIPS, IJCAI, UAI, AAAI, and AISTATS. He was a local co-chair of ICML 2014. He is a recipient of several awards, including ICME Best Paper Award, IEEE Intelligent Systems "AI's 10 to Watch" Award, MIT TR35 China, NSFC Excellent Young Scholar Award, CCF Young Scientist Award, and CCF first-class Natural Science Award. His work is supported by the National Youth Top-notch Talent Support program.
